MEMORANDUM FOR:

**SUBJECT** 

: OMS Task Force on Counter-Terrorism

1. In order to minimize confusion and to permit sensible progression of the Task Force role in serving and supporting the Agency's requirements in this field, someone other than myself needs to be in charge of the day to day activities of the group. As discussed with each of you, it is my plan to serve as an advisor to the group and to identify one of you as the Chairman of the group. The assignment of Chairman would be rotated periodically in the group unless experience proves this to be unwise.

2. For the period 1 November 1974 - 1 February

25X1A 1975 will serve as Chairman. I hope we can
all work together in this new field. I welcome any
suggestions at any time on how best to get the job done.
I will leave it up to you to meet with me as you deem
necessary.
